Westin Portland Harborview to Unveil Artne' Spa
Mary Weisheit Named Spa Director

PORTLAND, Maine - - (March, 2017) - - Celebrating the human body as nature's greatest work of art, the Westin Portland Harborview, a Rockbridge portfolio hotel managed by New Castle Hotels & Resorts, located in the heart of Portland's arts district, will unveil Artne' Spa on April 3. Artne' Spa will cherish the human art form with a complete line of hair, nail, massage and esthetic services offered amidst revolving exhibits of local art work.

Artne' Spa will be only the second true full-service spa in the entire city.

"Westin guests prioritize wellness in their daily lives and when they travel," said Jeffery Burrell, general manager of the Westin. "Those guests want to be their very best and regard grooming, massage and skin care as an important part of that healthy lifestyle. Locals who prefer having one stop for their essential services will appreciate our multi-visit packages targeted to encourage a regular routine of personal care."

Artne' Spa will feature two hair/makeup stations, two nail and four pedicure stations along with four treatment rooms, a relaxation sanctuary, and locker room facilities.

Mary Weisheit has been named Spa Director. Mary brings over twenty years of professional experience, beginning her spa career as a Massage Therapist in 1994. For the last decade, Weisheit has been the owner/operator of the Portsmouth Spa in Portsmouth NH. Additionally, Mary served as Spa Director at the Cliff House Resort in Ogunquit, Maine.

Artne' Spa will open April 3. Operating hours will be 10am to 6pm, seven days a week, with extended hours during the busier summer months. For appointments and a complete menu of services, please call 207-517-8877 or visit <http://www.artnespa.com>.
